In an effort to assist current customers with unexpected financial burdens faced during the current coronavirus crisis, Tompkins Mahopac Bank has implemented a temporary loan assistance program for our customers.

Our new Loan Assistance Program offers two-month loan payment deferment for various loan types, including consumer and commercial loans and mortgages.

“Our commitment to our customers and community continues to be the driving force for all we do,” said Gerald J. Klein, Jr., president and CEO. “As a community bank, it is our duty to assist our customers when facing unexpected hardship. We’re grateful to be able to support our customers in any way we can.”

Customers who would like to participate in the program will need to contact their banker via phone or email immediately, or reach out to Tompkins Customer Care Center at 1-866-462-2658 to review options that may be available to them.
